

Hoosier Oncology Group

ANITA M. CAMIC | SUPPORT SERVICES MANAGER | BIO

Anita has been with the Hoosier Oncology Group since March 2008 and has worked in the clinical research setting for over six years, with approximately five of those years in regulatory compliance. Upon coming to the Hoosier Oncology Group family, she served as Regulatory/SAE Coordinator and in January 2009 accepted the position of Support Services Manager.

Anita worked in the Outdoor Industry for 16 years as an outdoor apparel buyer, gaining invaluable business experience as well as having the opportunity to meet some very interesting people and take part in some exciting adventures. Anita has also worked as a Massage Therapist and has enjoyed putting her education to work since entering the healthcare field six years ago.

Anita enjoys living on a lake in rural Indiana and takes advantage of the opportunity to waterski and wakeboard whenever possible. She also enjoys gardening, cooking, and travel. Anita also considers herself "Mom" to her two exchange students, Fritz and Kathi.
